### Our Team

Registered Home Manager: Amy Thorne, Bourne House

Our care staffing levels are based on the needs of the residents in the home, which is set by the Home Manager and regularly reviewed. Our carers have all undertaken care certificate training or are undertaking the training if they are new to care. This provides them with the knowledge to care for our residents. Care Leaders will have all achieved a NVQ Level 2 in Health and Social Care. The Care Leaders provide direction and guidance for each shift. Those in care management positions will have at a minimum an NVQ Level 3 in Health and Social Care. During the evening the number of carers will be lowered to reflect the care required. In addition to our team of carers we have Housing keeping, kitchen, administrative and maintenance technician staff.

Our home comes equipped with a 24-hour electronic call bell system. This call bell system allows residents to alert carers to any needs they may have from requesting a cup of tea to more serious medical needs. This technology also allows the care team to be alerted if there is an emergency.

This home may use agency staff in the event we are unable to use our own staff to cover the shift. We only use agencies from our preferred supplier list.

### Activities

Coming to live in our home doesn't mean you have to stop doing all the things you've enjoyed in the past. Our dedicated activities team organise a wide programme of events around each person's requests, hobbies and interests including trips out and about. We work with new residents to help continue existing hobbies and give them the opportunity to try something new. Our wonderful volunteers also work with our activities team to really make all our residents feel at home.

### Your fees cover several areas while in our care.

These services are: Personal care accommodation utilities use of communal areas meals, drinks and snacks, laundry (excluding dry cleaning), housekeeping, maintenance and activities run by the home.

## Deposit Information

You will be required to pay a deposit of £2,000 which may be used by us to reimburse any sums you owe to us arising from your contract. At the end of your stay we will provide you with a statement of account detailing any fees incurred and paid. We will also return any amounts owed.

## Funding

### Funding

Our home welcomes self-funder individuals. We also have a block contract arrangement with Wiltshire County Council welcoming those individuals funded by the state.

Our home charges self-funder rate for all services. We have no contractual rate with Local Authorities.

This home can accept the following funding types:

- Self Funding

## Your Finances

We strongly recommend that you consult with an independent financial advisor as part of entering into a significant financial commitment. Prior to entering into this contract, we will undertake a financial assessment with you to ensure that you understand the financial commitment you are entering into. We may undertake this again at any point where your financial circumstances change. On average, an individual stays with us for 2 years, hence why we ensure you have funds to meet this commitment.

## Services Not Covered

Services **NOT** included in price are: Dentistry, chiropody, physiotherapy, occupational therapy, opticians, Hairdressing, Medications, Toiletries, Clothing, Newspapers/magazines.

During your stay, you may need to purchase additional goods and services. If we are able to provide such goods and services, we will tell you how much these goods and services will cost and we expect that you will pay for these goods and services at the time you request them.

We can accompany loved ones to private appointments, however the fee attached to this is £20 Per Hour. Where private taxi services are used for transportation to appointments the cost should be paid for by yourself.

## Insurance

You or your representative will need to arrange insurance cover for your personal belongings and valuables. We hold insurance against claims for injury or death, arising from an accident that is our fault.
